1. Apologies

An apology had been received from Professor John Walker-Smith.

2. Welcome

Members were welcomed to the meeting by the Hon. Secretary.

3. President's Report

Professor Ross concluded his term in office by thanking Peter Dunn for establishing the Society, and expressed a wish for greater feedback from members on their interest and expectations for the Spring & Autumn Meetings of the Society.

4. Hon. Treasurer's Report.

Dr. Dossetor reported that the Society's finances were stable, with audited accounts showing a balance of £10,028.21 at 1 September 2018, compared to £8,704.12 at 1 September 2017. The 2017 Cambridge meeting had been subsidised by £490. Subscriptions for 2017-18 had been paid by 59 members.

5. Hon. Secretary's report.

The Hon. Secretary thanked Euan Ross for his energetic service to the Society during his term as President, and reported that he had now completed his constitutional term of two 3 year terms, and one additional year, in the post. Subject to changes in work circumstances, he would be happy to stay in post one further year until the 2019 Autumn Meeting. This was approved by the meeting.

6. Election of President.

Professor Mike Dillon was proposed to succeed Euan Ross as the Society's President. This was universally approved by the meeting.

7. Future Meetings.

The 2019 Spring Meeting would form, as customary, a session of the Royal College of Paediatrics & Child Health's annual conference, at Birmingham SEC on May 15, preceding the College Seniors' lunch.

The 2019 Autumn Meeting would be held at St. Chad's College, Durham on 6-7 September.

This was followed by more general discussion about membership and meeting attendance. Dr. Addy noted the need to attract more younger members, and the declining number of historians attending recent meetings was noted; Professor Dillon promised to address this. Jonathan Dossetor noted

that details of meetings were in practice circulated to a wider group of people than the Society's actual members.

8. Society Website.

Jonathan Dossetor reported that the maintenance of the website by Jean Hyslop was still funded for a further period. Robert Scott-Jupp noted that the RCPCH could assist with website support for its affiliated groups.

With no further business, the meeting closed at 1810.

Nick Baldwin

Hon. Secretary
